QUESTIONS & ANSWERS

Have you applied for Special Fees in the past 3 years? If so, please detail the outcome of each attempt.

Yes. We applied this past year and our application was successful.

If you applied for Special Fees last year, is there an increase in the amount you're seeking this year? If so, why?

No increase.

Please define the services provided by your group with the Special Fee, as per the ASSU Constitution:

Stanford Jump Rope contributes to the Stanford community by performing at events on campus, supporting local elementary schools; Jump Rope for Heart programs, and providing fitness workshops for interested Stanford students. Further, for its members, Stanford Jump Rope is a wellness-focused community that emphasizes achieving fitness and balance through jump rope.

What are the three largest line item requests in your budget and why?

- 1. Travel - some competitions and events are out of state and require flights
- 2. Registration Expenses - these competitions and events also require members to contribute a registration fee in order to participate
- 3. Accommodations - relevant cost accompanying travel and event registration

What is the average attendance at your events?

20-30 people for workshops, 100-500 for performances

How do you plan to publicize your events/programs to the greater Stanford community? Have you registered with Events at Stanford?

We create flyers and email various mailing lists and also spread the word by mouth. Also after performances we often invite anyone interested in learning more and trying jump rope themselves

If you are an umbrella group, please list the groups for which you are applying for Special Fees, their ASSU account numbers, and contact information for their financial officers.

n/a

Please list all:1) assets, 2) reserves, 3) authorized and unauthorized non-ASSU bank accounts, 4) sources of funding other than Special

- 1 and 2. Assets and reserves consist of \$1000 from various performances we've done
- 3. n/a
- 4. n/a

What events/programs does your group hold throughout the year for the Stanford Community?

We host fitness and recreation oriented jump rope workshops at least once a quarter. Anyone interested is welcome to participate (we provide equipment and instruction) and learn tricks. We encourage everyone to have fun and be creative while also improving fitness and health.

Why are you requesting Special Fees?

To get additional funding to help us participate in jump rope competitions, perform for all kinds of audiences, share jump rope with the Stanford community and other schools in the area as a great activity for health and also as a creative sport, and to have the equipment and training resources to do so.
